Committee Action: Exemption Granted

IRB Action Date: 11/11/2008
IRB Protocol #: 0811004461
Study Title: Texture Extension Techniques and Human Visual Perception

This study qualifies for exemption under 45 CFR 46.101(b)(2). Any changes to the project to include identifying information must be submitted to the Human Subjects Committee for review as such changes may impact the exemption status.

Any changes in the protocol must be submitted to the Committee for approval. This includes, but is not limited to, changes in the recruitment procedures, informed consent, investigators, or study design. Such changes may alter the exempt status of the study. Investigators are also asked to promptly report any unanticipated problems or complaints to the Committee.

You should retain a copy of this letter for your records.
