IRB Action Date: 08/20/2009  
IRB Protocol #: 0908005610  
Study Title: Perceptions of dancing  

This study qualifies for exemption under 45 CFR 46.101(b)(2). Any changes to the project which would increase the potential for risks to participants must be submitted to the Human Subjects Committee for review as such changes may impact the exemption status.

Any changes in the protocol must be submitted to the Committee for approval. This includes, but is not limited to, changes in the recruitment procedures, informed consent, investigators, or study design. Such changes may alter the exempt status of the study. Investigators are also asked to promptly report any unanticipated problems or complaints to the Committee.

You should retain a copy of this letter for your records.
